Charity Gaming Seminar Being Held for Not-for-Profit Organizations

A training seminar will be held on September 7, 2001 in Terre Haute, Indiana, by the Not-for-Profit and Charity Gaming Section of the Indiana Department of Revenue to help explain the laws and regulations for not-for-profit organizations that either currently conduct, or would like to conduct, charity gaming activities.

Such legal activities may include bingo; card, dice, roulette wheel and spindle games; the sale of pull tabs, punchboards and tip boards; door prize drawings and festivals, depending on the type of license involved.

Various forms, including the application to file as a not-for-profit organization, qualification application, the single event form, annual bingo applications and related financial reports will be covered, as well as any changes to the various forms and procedures since last year's seminars.

The seminar will be conducted at the Holiday Inn, 3300 U.S. 41 South in Terre Haute from 9:00 A.M. to 4:00 P.M. Registration begins at 8:30 A.M. Anyone with special needs should contact the charity gaming/not-for-profit section at least 72 hours in advance. Reservations are not required, but seating may be limited; therefore those attending may want to plan to arrive early.

Training seminars will also be held September 21 in Jasper; September 28 in Plymouth; October 5 in Fort Wayne; and October 18 in Madison. More information may be obtained from the Department's web site (www.IN.gov/dor) or by calling the charity gaming/not-for-profit section at (317) 232-4646.
